

Please keep the media from being owned to excess. As you are the caretaker on behalf of the American citizens it is incumbent that you maintain the rules as they are. I see no need for this change request and nothing for the public to gain. Keep our media diverse in ownership. Each should have room to operate and grow. Broadcast ownership should be limited in order to protect the public's interest in receiving information from different sources. If ownership isn't limited the public's interest in receiving information will be.
